**Walking the Lake District Fells - Keswick** Mark Richards 2020-11-24 This guide describes ascents of 30 Lake District fells that can be climbed from Keswick, the Whinlatter Pass, Bassenthwaite, Hesketh Newmarket, Mungrisdale and Threlkeld. The giants of the region Skiddaw and Blencathra need little introduction, their myriad routes attracting many a visitor and promising fantastic far-reaching views. The summits to the north, however, are less frequented, offering probably the closest experience to wilderness walking the Lakes has to offer, whereas to the west, the Whinlatter group present a sylvan alternative. Unlike other guidebooks which describe a single or limited number of routes to a particular destination, the aim of the Walking the Lake District Fells series is to offer all the options. These are presented as numbered sections which can be combined to create infinite possibilities - from simple ascents to longer ridge routes. You'll find the classics and popular routes alongside less traditional alternatives perfect for the wandering spirit. The series gives you both the freedom to devise your own routes and the information to make informed decisions, thanks to the clear descriptions of the routes, terrain, hazards, interesting features and safe descent paths should the weather close in. Also included are a handful of classic ridge routes for longer fell days. Mark Richards' inimitable text is complemented by HARVEY mapping and the author's own beautiful sketch topos and panoramas. Perfect for keen hillwalkers and peak-baggers alike and ideal both for pre-planning and use on the hill, Walking the Lake District Fells is the new incarnation of the Fellranger series, which sees the volumes updated and trimmed to a more practical size. These true connoisseurs' guides are sure to inspire you to get out and explore the beautiful fells of Lakeland. For those collecting fell summits, a 'Fellrangers' hill list register can be found on the Long Distance Walkers Association website.
