Creating the New Soviet Woman L. Attwood 1999-08-31 This book explores the Soviet attempt to propagandise the 'new Soviet woman' through the magazines Rabotnitsa and Krest'yanka from the 1920s to the end of the Stalin era. Balancing work and family did not prove easy in a climate of shifting economic and demographic priorities, and the book charts the periodic changes made to the model.

Soviet History in the Yeltsin Era R. W. Davies 1997-06-12 Russian rethinking of the past has immense political significance. The author of the acclaimed Soviet History in the Gorbachev Revolution now examines the impact of the collapse of Communism and of the subsequent disillusionment with capitalism on Soviet history. The uses of history after the 1991 coup and in the 1995 and 1996 elections are considered in detail. Part two evaluates the unfinished revolution which has partly opened the archives, while part three offers reflections on the future of the Soviet past.

This book provides a theoretical basis of EIT, practical approaches and cases, imaginative exercises, and a dictionary of images interpretations.

Robots, Cyborgs, and Androids Jason Porterfield 2018-07-15 People have long dreamed of creating machines that can carry out the same tasks as people. These dreams have led to the creation of many sci-fi books, movies, and shows that attempt to depict how people would live with robots, cyborgs, and androids. This compelling book traces the history of robotics as a science, while describing in vivid detail some of the most influential works in all of science fiction, including those by E. T. A. Hoffmann, Fritz Lang, Eando Binder, and Isaac Asimov. Readers will ponder intriguing questions about the ethics of how robots, cyborgs, and androids are used and treated.

Stalinism in a Russian Province J. Hughes 1996-11-04 Stalinism in a Russian Province reexamines the agrarian policy pillars of Stalin's 'revolution from above' initiated in 1929-30, and is the first major study of its kind since the opening of Soviet archives. Through a pioneering application of the theoretical approaches of moral and political economy to Stalin's peasant policy, Hughes reevaluates the causes and processes involved in the great political, economic and social changes in the Soviet countryside. Rather than a bipolarized conflict between state and peasant, he profiles the socially variegated response of different peasant groups to collectivization and dekulakization and argues that it was as much a process involving social conflict between peasants.

Russian Unemployment and Enterprise Restructuring Guy Standing 2014-01-14 In the 1990s, attempted shock therapy generated unemployment much worse than many economists claimed. This book, based on an enterprise survey conducted between 1991 and 1994, examines how factories responded to unprecedented pressures, highlighting employment cuts, changing corporate governance and unanticipated labour market outcomes.

The Formation of a Labour Market in Russia Simon Clarke 1999 Clarke (sociology, U. of Warwick, England) draws on data from statistical surveys and case studies collected within the framework of a large-scale collaborative research program by development agencies on the restructuring of labor and employment in Russia. He reviews the historical context and tackles theoretical issues before providing a detailed analysis of the development of the labor market through the interaction of strategies by employers and employees. Two more volumes are expected to emerge from the study, on the segmentation of the Russian labor market and on household survival strategies, presumably during those long months or years when workers are not being paid.

Plant Society Jason Chongue 2018-04-03 Plant Society is your 101 guide on how to love and keep indoor plants. Even if you've killed every house plant in the past, plant-cultivator and stylist Jason Chongue will show you that it's really not that difficult. Covering everything from basic plant care and re-potting, to plants suited to pets and propagating, this book will help remove your fear of gardening and inspire you to create your own indoor oasis. It includes profiles of 25 ideal tropical indoor plants, organised from the most low-maintenance species through to the more exotic and labor-intensive plants. On top of this, the book offers styling advice including how to decorate different rooms in your home with plants, as well as suggestions on pots and planters to give your plants more personality. Throughout the book, you'll also find interviews with 'Plant People' from around the world, who provide an insight into their unique relationships with house plants. Indoor gardening really is this simple and fun!

Plans for Stalin's War-Machine L. Samuelson 2016-01-13 In the interwar period, Red Army commanders headed by Tukhachevskii developed a new doctrine of mobile warfare and 'deep operations'. The military requirements of armaments and industrial production in the event of war was a central parameter in Stalinist industrialization. Based on recently opened Russian archives, the book analyzes military dimensions of Soviet long-term economic and military reconstruction plans from the mid-1920s until 1941. It presents a new framework for estimating the Soviet war-economic preparations, drastically underestimated by contemporaries.

Women Workers in the Soviet Interwar Economy Melanie Ilić 1999 Analyses changes in official policy towards protective labor legislation for women workers in the Soviet Union in the period 1917-41.

The Workers' Movement in Russia Simon Clarke 1995 This major new book surveys the development of the new workers' movement in Russia under perestroika to understand how it connected with the workers at shop floor level and the national and local political authorities to whom it addressed its demands, and whose development it sought to influence. Drawing on a unique programme of collaborative research on Russian industrial relations from 1987 to 1995, the authors use a series of case studies to explain the gulf between the thousands of tiny independent groups, often based in a single enterprise or even a single shop, and regional and national organizations without a grassroots base. Extensive interviews with participants, tape and video recordings, as well as substantial documentary material are used in case studies of the 1989 miners' strike in Kuzbass, the Kuzbass regional council of workers' committees, the independent miners' union in Kuzbass, Sotsprof in Moscow and the Federation of Air Traffic Controllers' Unions. An extensive introduction puts these studies into context.

Me the People Nadia Urbinati 2019-08-06 Populism suddenly is everywhere, and everywhere misunderstood. Nadia Urbinati argues that populism should be regarded as government based on an unmediated relationship between the leader and those defined as the "good" or "right" people. Mingling history, theory, and current affairs, Urbinati illuminates populism's tense relation to democracy.

The Cult of Ivan the Terrible in Stalin's Russia M. Perrie 2001-10-25 Ivan IV, the sixteenth-century Russian tsar notorious for his reign of terror, became an unlikely national hero in the Soviet Union during the 1940s. This book traces the development of Ivan's positive image, placing it in the context of Stalin's campaign for patriotism. In addition to historians' images of Ivan, the author examines literary and artistic representations, including Sergei Eisenstein's famous film, banned for its depiction of the tsar which was interpreted as an allegorical criticism of Stalin.

Gender in Russian History and Culture L. Edmondson 2001-07-11 This volume charts the changing aspects of gender in Russia's cultural and social history from the late seventeenth century to the Stalinist era and the collapse of the Soviet Union. The works, while focusing on women as a primary subject, highlight in particular gender difference, the construction of both femininity and masculinity in a culture that has undergone major transformation and disruptions over the period of three centuries.

Only One Year Svetlana Alliluyeva 2017-01-24 "Among the great Russian autobiographical works: Herzen, Kropotkin, Tolstoy's Confession." —Edmund Wilson, The New Yorker After the success of her New York Times bestselling childhood memoir *Twenty Letters to a Friend*, Josef Stalin's daughter Svetlana Alliluyeva—subject of Rosemary Sullivan's critically acclaimed biography *Stalin's Daughter*—penned this riveting account of her year-long journey to defect from the USSR and start a new life in America. The story of *Only One Year* begins on December 19, 1966, as Svetlana Alliluyeva leaves Russia for India, on a one-month visa, in the custody of an employee of the Soviet Ministry of Foreign Affairs. It ends on December 19, 1967, in Princeton, New Jersey, as she and two American friends join in a toast to her new life of freedom. That year of pain, discovery, turmoil, and new hope reaches its climax with her decision to break completely from the world of Communism, to turn her back on her country, her children, and the legacy of her notorious father—Joseph Stalin. Why did she make such a drastic choice? This book, a detailed account of reality in the USSR, is her explanation. Frank, fascinating, and thoroughly engrossing, *Only One Year* reveals life behind the Iron Curtain, the risks and subterfuge of defection, and one extraordinary woman's fight for her future.

Russian Academicians and the Revolution Vera Tolz 1997-10-13 An examination of the early Soviet period of the Russian (Soviet) Academy of Sciences which focuses on the reactions of individual members of the academy to the new situation in which they found themselves after October 1917. Based on the extensive use of documents from the Archives of the Russian Academy of Sciences, the author discusses how the academicians justified their cooperation with the Bolsheviks and the ideological basis of the regime's policy towards the academy in the 1920s.

The One Year Drawing Project Muhanned Cader 2008 This book charts a 29-month period of drawing exchange between four of Sri Lanka's most important contemporary artists: Muhanned Cader, Thamotherspillai Shanaathanan, Chandraguptha Thenuwara, Jagath Weerasinghe. In May 2005, the artists each created a drawing and sent it to one other artist in the group, who produced a new drawing in response to the one received. This process of exchange continued until each of the artists had received and sent 52 drawings, with the project reaching its conclusion in October 2007. This book presents all 210 drawings from the project in sequence. A timeline of events, provided in a supplementary booklet, recalls the period of violent conflict in Sri Lanka that served as a backdrop against which the project unfolded.

The North Caucasus Andrew Kuchins 2011 To best face and contend with the known and emerging threats in the North Caucasus requires an informed picture and understanding of what is going on in the region. This report sheds light on some of the most important trends that are taking place and in turn raise awareness of the most salient issues affecting the region today. It will then promote practical approaches that can be taken both in Moscow and the West to better and more effectively address and alleviate the deteriorating situation in the North Caucasus.
