Getting the books **kursy/major english** now is not type of challenging means. You could not forlorn going as soon as books deposit or library or borrowing from your friends to retrieve them. This is an unquestionably easy means to specifically acquire lead by on-line. This online message kursy/major english can be one of the options to accompany you in imitation of having additional time.

It will not waste your time. take me, the e-book will unconditionally song you extra concern to read. Just invest tiny get older to open this on-line revelation **kursy/major english** as competently as evaluation them wherever you are now.

Dramatic Interactions Nicoletta Marini-Maio 2011-01-18 Dramatic Interactions is a collection of essays on the flourishing and interdisciplinary subject of teaching foreign languages, literatures, and cultures through theater. With rich examples from a variety of commonly and less commonly taught languages, this book affirms both the relevance and effectiveness of using theater for foreign language learning in the most comprehensive sense of the term. It includes innovative approaches to specific theatrical texts and addresses numerous aspects of foreign language learning such as oral proficiency and communication, intercultural competence, the role of affect and motivation in foreign language study, multiple literacies, regional variations and dialect, literary analysis and adaptation, and the overall liberating effects of verbal and non-verbal self-expression in the foreign language. Dramatic Interactions renders accessible, efficacious, and enjoyable the study of languages, literatures, and cultures through theater with the hope of inspiring and facilitating the greater incorporation of theatrical texts and techniques in foreign language courses at every level.

Russian Social Media Influence Todd C. Helmus 2018-04-12 Russia employs a sophisticated social media campaign against former Soviet states that includes news tweets, nonattributed comments on web pages, troll and bot social media accounts, and fake hashtag and Twitter campaigns. Nowhere is this threat more tangible than in Ukraine. Researchers analyzed social media data and conducted interviews with regional and security experts to understand the critical ingredients to countering this campaign.

Inside find out: How valuable qualifications are to teaching abroad Which ELT courses available, lasting from a weekend to 3 years Where to search for jobs from recruitment organisations to websites How to prepare for your trip abroad and overcome any issues How other teachers found their work from personal accounts Now in its 16th edition, this new edition includes more than 50 new employer listings - from Switzerland to Taiwan, Georgia to Kenya, and Hungary to Bolivia.

[Lev Shternberg](#) Sergei Kan 2009-01-01 This intellectual biography of Lev Shternberg (1861-1927) illuminates the development of professional anthropology in late imperial and early Soviet Russia. Shortly after the formation of the Soviet Union the government initiated a detailed ethnographic survey of the country's peoples. Lev Shternberg, who as a political exile during the late tsarist period had conducted ethnographic research in northeastern Siberia, was one of the anthropologists who directed this survey and consequently played a major role in influencing the professionalization of anthropology in the Soviet Union. But Shternberg was much more than a government anthropologist. Under the new regime he continued his work as the senior curator of the St. Petersburg Museum of Anthropology and Ethnography, which began in the early 1900s. In the last decade of his life Shternberg also played a leading role in establishing a new Soviet school of cultural anthropology and in training a cohort of professional anthropologists. True to the ideals of his youth, he also continued an active involvement in the intellectual life of the Jewish community, even though the new regime was making it increasingly difficult. This in-depth biography explores the scholarly and political aspects of Shternberg's life and how they influenced each other. It also places his career in both national and international perspectives, showing the context in which he lived and worked and revealing the important developments in Russian anthropology during these tumultuous years.

Hybrid Workplace: The Insights You Need from Harvard Business Review Harvard Business Review 2022-03-15 Reinvent your organization for the hybrid age. Hybrid work is here to stay—but what will it look like at your company? Organizations that mandate rigid, prepandemic policies of five days a week at the traditional, co-located office may risk a mass exodus of talent. But designing a hybrid office that furthers your business goals while staying true to your culture will require experimentation and rigorous planning. Hybrid Workplace: The Insights You Need

from Harvard Business Review will help you adopt technological, cultural, and management practices that will let you seize the benefits and avoid the pitfalls of the hybrid age. Business is changing. Will you adapt or be left behind? Get up to speed and deepen your understanding of the topics that are shaping your company's future with the Insights You Need from Harvard Business Review series. Featuring HBR's smartest thinking on fast-moving issues—blockchain, cybersecurity, AI, and more—each book provides the foundational introduction and practical case studies your organization needs to compete today and collects the best research, interviews, and analysis to get it ready for tomorrow. You can't afford to ignore how these issues will transform the landscape of business and society. The Insights You Need series will help you grasp these critical ideas—and prepare you and your company for the future.

Russian Nationalism Marlene Laruelle 2018-10-10 This book, by one of the foremost authorities on the subject, explores the complex nature of Russian nationalism. It examines nationalism as a multilayered and multifaceted repertoire displayed by a myriad of actors. It considers nationalism as various concepts and ideas emphasizing Russia's distinctive national character, based on the country's geography, history, Orthodoxy, and Soviet technological advances. It analyzes the ideologies of Russia's ultra-nationalist and far-right groups, explores the use of nationalism in the conflict with Ukraine and the annexation of Crimea, and discusses how Putin's political opponents, including Alexei Navalny, make use of nationalism. Overall the book provides a rich analysis of a key force which is profoundly affecting political and societal developments both inside Russia and beyond.

[Literature and ELT: Louis Sachar's "Holes"](#) Verena Schörkhuber 2013-01-02 Lesson Plan from the year 2012 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 1,0, University of Vienna (Institut für Anglistik und Amerikanistik), course: Literature and ELT (Fachdidaktik-Kurs), language: English, abstract: Bei dieser Arbeit für den Fachdidaktik-Kurs "Literature and ELT" handelt es sich um eine Didaktisierung des Abenteuerromans "Holes" von Louis Sachar (ab 4./5. Lernjahr) mit einigen außergewöhnlichen Ideen zu Übungen/Aktivitäten rund um "Holes" (Dauer ca. 4 St.), welche auch auf andere literarische Werke angewandt werden können (creating wanted posters, telephone conversations with the author, ...). Inhalt: Introduction: Why teach literature (or Literature?) in ELT; Choice of text; Work plan for four lessons; Conclusion; Bibliography; Appendix/Work sheets: 'dig it', character sketch, 'mad lib', discuss-decide-survive, filling in the holes: questions, create your own 'wanted poster', reading log. Auszug: Choice of text We shouldn't teach great books; we should teach a love of reading. (B. F. Skinner) I have chosen the novel Holes by Louis Sachar with the quotation above in mind: even though it might not be classified as one of the 'great books', i.e. of '(high) literature', it is definitely one of those books that can serve to 'teach a love of reading'. Holes is the exciting story of Stanley Yelnats (mind the palindrome!), an overweight boy who is unjustly sent to Camp Green Lake, a boys' juvenile detention centre. Stanley knows that this is due to a curse on his 'no-good-dirty-rotten-pig-stealing-great-great-grandfather', who did not fulfil a promise he had made to Madame Zeroni. At the camp, Stanley and six other boys are forced to dig holes every day in order to pay their debt to society. However, Stanley soon finds out that there is more than 'character building' going on [...]. The novel and its main themes (friendship, racism, justice, fate, etc.) can be exploited in many appealing ways for classroom reading. [...] In the open learning sequence I have prepared, two basic approaches to reading a book in class are incorporated. First, there is the 'classical' approach with its well-established, successful activities, whereby the focus of assessment is (as is usual on an upper-secondary level) on both language and content. On the other hand, the activities on the second work sheet focus on the themes dealt with in the book. Since friendship, bullying, racism, etc. are issues in (nearly) every teenager's life, it can be motivating for the students to deal with these topics from a personal point of view, in a creative way. The activities on both work sheets are designed in a way that allows the students to plan which tasks to do when themselves.

A Biographical Dictionary of Women's Movements and Feminisms Francisca de Haan 2006-01-10 This Biographical Dictionary describes the lives, works and aspirations of more than 150 women and men who were active in, or part of, women's movements and feminisms in Central, Eastern and South Eastern Europe. Thus, it challenges the widely held belief that there was no historical feminism in this part of Europe. These innovative and often moving biographical portraits not only show that feminists existed here, but also that they were widespread and diverse, and included Romanian princesses, Serbian philosophers and peasants, Latvian and Slovakian novelists, Albanian teachers, Hungarian Christian social workers and activists of the Catholic women's movement, Austrian factory workers, Bulgarian feminist scientists and socialist feminists, Russian radicals, philanthropists, militant suffragists and Bolshevik activists, prominent writers and philosophers of the Ottoman era, as well as Turkish republican leftist political activists and nationalists, internationally recognized Greek feminist leaders, Estonian pharmacologists and science historians, Slovenian 'literary feminists,' Czech avant-garde painters, Ukrainian feminist scholars, Polish and Czech Senate Members, and many more. Their stories together constitute a rich tapestry of feminist activity and redress a serious imbalance in the historiography of women's movements and feminisms.

Culture Is Our Business Marshall McLuhan 2015-02-12 Culture Is Our Business is Marshall McLuhan's sequel to *The Mechanical Bride: Folklore of Industrial Man*. Returning to the subject of advertising newly armed with the electric sensibility that informed *The Gutenberg Galaxy*, *Understanding Media*, and *The Medium Is the Massage*, McLuhan takes on the mad men (a play on the ad men of Madison Avenue) of the sixties. Approaching commercial messages as unacknowledged art forms and cultural artifacts, McLuhan delivers a series of probes that pick apart their meanings and underlying values, their paradoxes and paralogisms, and their overt function as persuasion and propaganda. Through humor, satire, and a poetic sensibility, he provides us with a serious exploration of the consumer culture that emerged out of the electronic media environment. In keeping with the participatory ethos of the Internet that McLuhan so clearly anticipated, this is a book that is meant to open the door to further study, reflection, and discussion, and to encourage the development of critical reception on the part of the reader.

Englisch für Architekten und Bauingenieure - English for Architects and Civil Engineers Sharon Heidenreich 2010-03-11 Das Tätigkeitsfeld des Planers im Baugeschehen wird zunehmend international. Dieses Sprachlehrbuch knüpft an das vorhandene Schulenglisch an und bereitet den Leser durch Fachtexte, typische Dialoge und Geschäftsbriefe systematisch auf die Arbeit als Planer im und mit dem englischsprachigen Ausland vor. Das praxisnahe Buch ist in die einzelnen Planungs- und Ausführungsphasen aufgeteilt und garantiert damit ein schnelles und gezieltes Nachschlagen während eines Bauprojektes. Übungen zu Fachbegriffen, ausgewählter Grammatik und Businessenglisch, ein Vokabelteil und praktische Tipps für die Bewerbung im Ausland ergänzen das Lehrbuch, das sowohl für das Selbststudium als auch kursbegleitend eingesetzt werden kann. Die 2. Auflage wurde überarbeitet und berücksichtigt mit den beiden neu aufgenommenen Kapiteln Statik und Haustechnik auch deren Fachbegriffe und Inhalte. Der Inhalt Hinweise zum Aufbau des Buches – Baubeteiligte – Projektorganisation – Arbeitsplatz – Grundlagenermittlung – Vorentwurf – Statik – Baustoffe – Haustechnik – Entwurf – Genehmigungsplanung – Brandschutz – Ausführungsplanung – Ausschreibung – Vergabe – Bauvorbereitung – Versicherung – Objektüberwachung – Fertigstellung – Gewährleistung – Anstellung – Studium – Bewerbung – Lösungen zu den Übungen – Vokabeln in alphabetischer Reihenfolge mit deutscher Übersetzung Die Zielgruppen Architekten Bauingenieure Studierende beider Fachbereiche Übersetzer und Dolmetscher Bauherren Die Autorin Dipl.-Ing. (FH) Sharon Heidenreich arbeitet als Architektin, wobei sie auch im Ausland (England und Japan) beschäftigt war. Als englische Muttersprachlerin ist sie außerdem als Übersetzerin und Dozentin tätig. Sie lehrt unter anderem Englisch für Architekten an der Bayerischen Architektenkammer und an der Hochschule für angewandte Wissenschaften Nürnberg.

Stereotactic Body Radiation Therapy Simon S. Lo 2012-08-28 Stereotactic body radiation therapy (SBRT) has emerged as an important innovative treatment for

various primary and metastatic cancers. This book provides a comprehensive and up-to-date account of the physical/technological, biological, and clinical aspects of SBRT. It will serve as a detailed resource for this rapidly developing treatment modality. The organ sites covered include lung, liver, spine, pancreas, prostate, adrenal, head and neck, and female reproductive tract. Retrospective studies and prospective clinical trials on SBRT for various organ sites from around the world are examined, and toxicities and normal tissue constraints are discussed. This book features unique insights from world-renowned experts in SBRT from North America, Asia, and Europe. It will be necessary reading for radiation oncologists, radiation oncology residents and fellows, medical physicists, medical physics residents, medical oncologists, surgical oncologists, and cancer scientists.

Narrative Designer Stephen Dinehart 2018-07-21 The goal of this book is no less than unlocking experience so we might synthesize it for dramatic purposes, imbuing play within interactive narrative systems with strong neural coupling potential and using the subsequent cognitive bias to make for a better world within which we all may love and play.

The Petrine Revolution in Russian Culture James CRACRAFT 2009-06-30 The reforms initiated by Peter the Great transformed Russia not only into a European power, but into a European culture--a shift, argues James Cracraft, that was nothing less than revolutionary. The author of seminal works on visual culture in the Petrine era, Cracraft now turns his attention to the changes that occurred in Russian verbal culture. The forceful institutionalization of the tsar's reforms--the establishment of a navy, modernization of the army, restructuring of the government, introduction of new arts and sciences--had an enormous impact on language. Cracraft details the transmission to Russia of contemporary European naval, military, bureaucratic, legal, scientific, and literary norms and their corresponding lexical and other linguistic effects. This crucial first stage in the development of a "modern" verbal culture in Russia saw the translation and publication of a wholly unprecedented number of textbooks and treatises; the establishment of new printing presses and the introduction of a new alphabet; the compilation, for the first time, of grammars and dictionaries of Russian; and the initial standardization, in consequence, of the modern Russian literary language. Peter's creation of the St. Petersburg Academy of Sciences, the chief agency advancing these reforms, is also highlighted. In the conclusion to his masterwork, Cracraft deftly pulls together the Petrine reforms in verbal and visual culture to portray a revolution that would have dramatic consequences for Russia, and for the world. Table of Contents: Figures Preface Note on Dates and Transliteration 1. Introduction Historiography Language, Culture, Modernity Russian before Peter 2. The Nautical Turn Russia in Maritime Europe The Naval Statute of 1720 Other Nautical Texts Institutionalization 3. Military Modernization Military Revolutions: Europe to Russia The Military Statute of 1716 Textbooks and Schools 4. Bureaucratic Revolution Advent of the Modern European State The Petrine State The General Regulation of 1720 Regulations and Justifications 5. Science and Literature Geometry, Geography, History Eloquence, Theology, Philosophy The Academy 6. The Language Question The Print Revolution in Russia Lexical Proliferation Dictionaries and Grammars Russian after Peter 7. Conclusion The Petrine Revolution in Russia The Persistence of Muscovy Abbreviations Appendix I: Texts Appendix II: Words Notes Bibliography Index No previous author has attempted to document the changes in the Russian language during Peter the Great's reign by setting such a wide range of texts in historical context -- with full reference to the European background -- in a discussion accessible to non-specialists. James Cracraft extends the definition of literature beyond belles lettres and private writings, in which the Petrine era is relatively poor, to 'verbal culture,' in which it is rich, thereby offering a much wider range of material from a crucial age of reform and allowing exploration of such phenomena as the vocabulary of political power. In no other work in print in English can one find such detailed expositions of the publishing history and contents of such key texts as the Naval Statute and Military Statutes. Cracraft's judicious interpretation will be invaluable to serious students of Russian history. This is a work of immense erudition and a major contribution to scholarship. --Lindsey Hughes, University College London

A Concise Hopi and English Lexicon 1985-01-01 "A Concise Hopi and English Lexicon" is a lexical research tool for persons interested in the Hopi language. An effort has been made to include the most frequent forms of basic roots. The work is designed to serve as wide-ranging an audience as possible: Hopi speakers as well as those not fluent in this language, the scholar as well as the general reader. The lexicon treats the Third Mesa dialect and the vocabulary items are limited to items of common usage. The work is presented in two sections: the first and main section is Hopi-English and the second is an English-Hopi index.
